## JDIEG Youth Editorial Board Recruitment

——Join Us in Advancing Academic Journal Development

**Journal Name:** *Journal of Digital Intelligence and Economic Growth*

**Journal Website:** <https://www.jdieg.com>

**Contact Email:** [jdieg2024@gmail.com](mailto:jdieg2024@gmail.com)

To further enhance the international influence of the journal, promote academic exchange among young scholars, and enrich the editorial board, *JDIEG* is now inviting qualified and interested young scholars to join the **Early Career Editorial Board (ECEB)**. The term for youth editors is **three years**. Upon successful evaluation at the end of the term, outstanding members may be reappointed or recommended for promotion to the main editorial board.

### About the Journal

The *Journal of Digital Intelligence and Economic Growth (JDIEG)* is an **international peer-reviewed open-access journal** founded in 2024. It is sponsored by the **Asia-Pacific Association of Economics and Management (South Korea)** and managed by the **Korea-China Institute of Economic Development (KCIED)**. The journal is a **quarterly publication** with ISSN 3058-3535 and E-ISSN 3058-6518.

JDIEG is committed to **internationalization, integration, and quality**, focusing on economic development in the Asia-Pacific region. It integrates information science and sustainability, publishing high-quality academic papers, including theoretical studies, empirical research, literature reviews, and research communications by established scholars and graduate students.

### **Scope of Topics (including but not limited to):**

- Digital technology and industrial development
- Corporate digital transformation and innovation
- Green growth, corporate social responsibility, carbon neutrality, and sustainability
- Financial systems and Fintech innovation
- International investment and economic policy
- Regional and industrial economics
- MNC organization and performance
- International trade and logistics management
- Global supply chains and value chains
- Management mechanisms and business model innovation
- E-commerce model innovation
- Consumer behavior and consumption culture
- International marketing and brand value
- Tourism industry chain development
- Cross-cultural management and integration research

### **Editors-in-Chief**

Soyoung Kim, Seoul national university

Sungjoon Yoon, Kyonggi University

Lei Zhang, Southwestern University of Finance and Economics

Chi Gong, KCIED, Kyonggi University

### **Journal Development Goals**

In line with our commitment to internationalization and academic excellence, JDIEG has established a clear roadmap and milestones:

- **By September 2025:** Apply for inclusion in *Scopus* (after the publication of Issue 7)
- **By December 2025:** Apply for *ESCI (Web of Science)* and *EI Compendex (Elsevier)* indexing (after Issue 8)
- **By June 2026:** Seek inclusion in *SCIE* and *SSCI* indexing (after Issue 10)

## Recruitment Details

### 1. Eligibility Criteria

- Under the age of 45, with enthusiasm and availability to contribute to the journal's development
- Must meet **at least one** of the following:
  - Ph.D. degree in a related field
  - Associate professor or associate researcher (or higher)
- At least **three representative publications** in influential journals in relevant fields (one academic monograph can count as one publication); experience leading research projects is preferred
- Active in academic communities, with experience presenting at conferences or participating in professional organizations

### 2. Benefits for Youth Editorial Board Members

- Official **appointment certificate** as a youth editorial board member
- Public promotion on social media, journal website, and other platforms to raise academic visibility
- Recognition as **Outstanding Youth Editor** based on contribution, with priority consideration for promotion to full editorial board
- Papers written or recommended by youth editors will be given **priority consideration** (after peer review)
- Opportunities for academic exchange with internationally renowned scholars, and participation in annual meetings and online seminars organized by the editorial team
- **Discounted registration fees** for academic conferences hosted by JDIEG and the Asia-Pacific Association of Economics and Management

### 3. Responsibilities of Youth Editorial Board Members

- Promote the journal at academic conferences and among peers
- Select and promote high-quality papers on public platforms (WeChat, international media, etc.)
- Assist in organizing academic conferences, forums, training, and special issues
- Peer review **at least 4 manuscripts per year**, providing professional and timely feedback

- Provide suggestions and feedback for new initiatives by the journal
- Recommend **at least two submissions** over the 3-year term from domestic or international scholars in relevant fields
